Directions for Searching Dynamic Assessment Bibliography

Go to www.google.com and on the top right will be an icon that looks like a cog or wheel. Click on this icon to display a dropdown menu and select “Advanced Search”. At the bottom of the Advanced Search page, is a field labeled: “Search within a site or domain”. Type http://discoverarchive.vanderbilt.edu/ in this field. Now you may continue your search by entering key words, titles, and/or authors in the corresponding fields and then clicking on the “Advanced Search” button located at the bottom right screen.
