The Eskind Biomedical Library is closed for renovations from August 1, 2017 to July 31, 2018.

Our services and collection have been temporarily moved to the Science & Engineering Library.

Please visit the library’s website for updated information on library operations during this time.

Directions to the Science & Engineering Library:

1. From Stevenson Center Lane. Pass the Student Health Center. Continue behind the Stevenson Science Building. Take the spiral staircase down to the library.

2. From MCN. Go to the first floor towards the T corridor. Enter the Chapman Quad and exit through MRB III. Turn left and enter the library under the breezeway.
